

rpp::schedulers::details
::scheduler_tag

```
graph BT; A[rpp::schedulers::new_thread] --> B[rpp::schedulers::details::scheduler_tag];
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'rpp::schedulers::details' on the first line and '::scheduler_tag' on the second line. The bottom box is gray with a black border and contains the text 'rpp::schedulers::new' on the first line and '_thread' on the second line. A blue arrow points vertically from the top center of the bottom box to the bottom center of the top box, indicating an inheritance or specialization relationship.

rpp::schedulers::new
_thread
